

Survivorship Programme

Save the Date

Tuesday 26th June 2012, 9.00am – 4.30pm, The Pavilions of Harrogate,
Great Yorkshire Showground, Harrogate, HG2 8NZ

1/4 MILLION CANCER SURVIVORS In Yorkshire by 2030

- Is current follow-up fit for purpose?
- Whose role is it?
- What are we doing to improve it?
- How might it look in the future?

Aims of the day:

- To share and learn from the latest national and local developments
- To explore the questions above

Topics to include:

- Risk stratification in practice
- Consequences of treatment & late effects
- Physical activity – the least utilised weapon in the anti-cancer armoury?
- The assessment debate
- Research and the use of health technologies in cancer care
- Integrated care – what's stopping us?
- Self-management in practice

'Market Place'

A 'market place' will be available to encourage the sharing of ideas and to showcase any examples of good practice. If you would like a table for your organisation please contact Jodie Rowland (jodie.rowland@ycn.nhs.uk)

Who is the event aimed at?

This event is aimed at all those who have an interest in the future commissioning and delivery of follow-up and support services for patients living with and beyond cancer and other long-term conditions.

Programme and registration form to follow
